**ATTACHMENT II TO A091, CRIMINAL COMPLAINT, MARCH 30TH<sup>2015</sup>**

**DPS CASE X3D4-15-0029**

On 03/30/2015, Texas Department of Public Safety CID Agent Jorge Lopez responded to Starr County to assistance on a narcotic seizure by Texas Department of Public Safety Commercial Motor Vehicle Sgt. Luis Guzman. On the same date (3/30/15), Sgt. Guzman stopped a 2005 Freightliner pulling a 1998 Wilson flatbed trailer driven by LOZANO, CARLOS on U.S. 83 west of Roma, Starr County for Commercial Vehicle Inspection. A pressure washer skid was strapped onto the 1998 Wilson flatbed trailer. Sgt. Guzman stated that LOZANO advised him he had left McAllen this morning (03/30/2015) and was headed to Carrizo Springs to drop off oil field equipment at oil field site. Sgt. Guzman noticed that LOZANO was nervous and his story about traveling from McAllen to Carrizo Springs did not seem plausible. While checking LOZANO'S log book Sgt. Guzman noticed that LOZANO had not logged anything since the 3<sup>rd</sup> of March 2015. Also, Sgt. Lozano advised that LOZANO presented written and computerized bill of ladings for the pressure washer skid on the flatbed trailer. Sgt. Guzman noticed both bill of ladings had numerous misspelled words. Sgt. Guzman then called Dynamic Industries in Carrizo Springs and asked if they were waiting to receive the pressure washer skid as noted on the bill of lading. Sgt. Guzman was advised that Dynamic Industries does not use pressure washer skids at location and they were not waiting to receive one at location. Sgt. Guzman also noticed that the pressure washer skid had been recently painted. Believing that contraband was possibly being hidden inside the pressure washer skid Sgt. Guzman asked for consent to search the truck, trailer, and load on trailer. LOZANO gave verbal consent to search the truck, trailer, and load on trailer.

Sgt. Guzman, while searching the pressure washer skid, noticed after-market welds on the top, sides, and under the skid. Sgt. Guzman stated he could smell the odor of fresh paint on the skid. Entry was gained into the skid from the top with a drill and marijuana was observed on the drill bit when removed. LOZANO was then placed under arrest and advised of his Miranda Warning.

The Freightliner/Wilson trailer was transported to the Weslaco DPS Office where a total of one hundred seventy four (174) bundles containing a green leafy substance believed to be marijuana were recovered from within the pressure washer skid.

Agent Jorge Lopez along with Agent Daniel Pena interviewed LOZANO at the DPS Regional Office in Weslaco. LOZANO, who ~~waived~~ his rights, stated that he was recruited by a subject by name of PABLO LNU (Last Name Unknown) to transport a large load of marijuana from the Rio Grande Valley to Houston Texas. LOZANO was instructed to drive to Carrizo Sprigs from McAllen to ~~by~~ pass the larger US Border Patrol Checkpoints and blend in with commercial oil field traffic. Then continue to Houston Texas where the marijuana was to be offloaded at an unknown location. LOZANO stated that he would be paid between forty to fifty thousand dollars to transport the marijuana load.
